

# TOMER LITVAK

LEAD PRODUCT OWNER

tomerlitvak.com

## PROFILE

Product leader with full-stack SaaS and cross-functional product ownership. Experienced in leading distributed international teams, aligning business and technical strategy, and delivering scalable enterprise solutions. Strong in team leadership, product strategy, and system integrations, with hands-on support to drive efficient, customer-focused outcomes.

## WORK EXPERIENCE

### CompaxDigital

#### Lead Product Owner

2024 - PRESENT

- Leading 3 teams (3 POs, 21 Devs/QAs) across Austria & Asia, aligning strategy with execution for full-stack SaaS.
- Architecting and guiding integration of core enterprise systems, enabling sustainable and future-ready platform growth.
- Mentoring developers and product owners (on-site in Taiwan and remotely), planning complex implementations, and providing hands-on support for feature delivery.

#### Product Owner

2023 - 2024

- Managed a team of 6 Devs/QAs distributed across Europe, delivered scalable features focused on business value.
- Owned backlog, defined user stories, and planned delivery.
- Presales support: presented automation-driven solutions, delivered high-level estimations, and helped secure 4 clients.

#### Software Developer

2022 - 2023

- Developed backend and frontend CRM modules using Java and PostgreSQL within a microservice architecture.
- Collaborated with product teams to resolve complex issues and deliver end-to-end solutions across multiple modules.

## EDUCATION

### BSc Computer Science

2018 - 2022

The Open University  
Israel

- Recipient of President's Honor (2020) and Dean's Honor (2021) for academic excellence
